

Recognised 'Train the Trainer' Qualifications

(Appendix N to ACOP refers)

The following Qualifications are recognised by Competenz as meeting the 'Train the Trainer' requirements referred to in the Forklift Trainer Application.

Qualifications

National or New Zealand Certificate in Adult Education

Or

A minimum of any 3 of the following unit standards. These unit standards must be evident on the Applicant Trainer's NZQA Record of Achievement (ROA).

Unit	Title	Credits
7091	Establish a culturally safe and inclusive learning environment for adults in New Zealand's cultural setting	4
7095	Develop and facilitate individualised adult learning plans	6
7097	Facilitate interactive learning sessions for adult learners	10
7106	Prepare learning plans and provide guidance for individual adult learners	5
7108	Deliver on-job training for adult trainees	8
7114	Coach adult learner(s)	8
17975	Plan, conduct, and review interactive group learning for trainee drivers	5
19444	Deliver group training sessions for adult learners (EXP 31.12.2020)	8
29692	Deliver learning sessions for adults	14

Evidence of other "alternative qualifications or equivalent skills and knowledge may be deemed to meet the same general standards and requirements" by the Registrar.

Forklift Assessor Qualifications

(CMR 13 Criterion 3 and Appendix 5 refers)

In addition to the above qualifications and a current Forklift Trainer Registration with Competenz, those individuals who are going on to apply to become a Forklift Assessor (able to award Competenz Forklift unit standards) must also hold:

Unit	Title	Credits
4098	Use standards to assess candidate performance	6

And

Each of the forklift unit standards listed below that they intend to be able to award.

Unit	Title	Credits
10851	Operate a powered industrial lift truck (forklift)	7
10852	Operate a powered industrial lift truck (forklift) fitted with attachments	3
18409	Use a forklift mounted safety platform in the workplace	4
